Oil slick paper

22,40 □

The Slick® Paper was cretaed for Rosin.

The innovative bonding technique & 300% more silicone produces a paper that is stronger and more non-stick than any commercial parchment.

The pre-cut sheets measure 10"x10" and are coated on one side with medical grade silicone.

Package contains 250 sheets.

- Stronger & more non-stick than ordinary parchment
- Heat transfer up to 450°F
- Thick silicone coating
- Moisture resistant
- PH balanced
